GETTING TO KNOW JESUS

SMALL GROUP BIBLE STUDY AND DISCUSSION GUIDE

THIS SMALL GROUP BIBLE STUDY and discussion guide is designed to be used by a group of 4-10 people who want to further discuss the concepts in this book and dig deeper into God's Word.

Note: The use of a study Bible will help you with questions you have about the Bible passages.

INTRODUCTION

Getting Started

1. Think of a person or even multiple people you know on a sincere, deep, and maybe even on an intense level. What were the main factors that allowed your relationship to deepen and become more meaningful?

2. Jesus says in Matthew chapter 6, “Where your treasure is, there your heart will be also.” In what ways do you find Jesus’ words in Matthew to be true in your own life? How would you describe your current level of contentment with what you treasure and where you are investing your life?
 3. What is the difference between “knowing about Jesus” and “knowing Jesus.” How can recognizing this difference shed new light on someone’s understanding of Christianity? How can it help guide you in the process of growing in a deeper relationship with Jesus Christ?
 4. What is your first impression of seeing the Six Core Teachings of the Bible as a way to know Jesus better?

Digging Deeper

Read Luke 7:36-50

2. Describe the difference between the Pharisee's relationship with Jesus and the woman's relationship with Jesus.

3. Why did the woman love Jesus more than the Pharisee?

4. What is this story teaching us about Jesus? What is it teaching us about sin and forgiveness?

 2. Which verse is the most helpful to you, why?

Connecting the Dots

1. Share the best thing you learned about Jesus in the introduction.
 2. Describe your life journey especially in light of your faith and relationship with Jesus. Think of times you have been close to him, far from him, struggling with faith, strong in faith. Who has helped you in your walk of faith? What events in your life have been major influences on who you are and what you believe?

3. Where are you right now on your spiritual journey of faith?
 4. Intimacy is one of the most special gifts God gives to us – physically, emotionally, and spiritually. With intimacy comes understanding and closeness within a relationship. In what ways do you find this to be true in your life?
 5. We experience intimacy, depth, communication, identity, vulnerability, and commitment in relationships with others. In what ways can you experience these same gifts in relationship with Jesus?

CHAPTER 1

THE BIG PICTURE

An Explanation of the Gospel – The Six Core Teachings of the Bible

CHAPTER 2

THE FIRST CORE TEACHING

GETTING TO KNOW JESUS THROUGH THE TEN COMMANDMENTS

God's Values – Ten Truths that Give and Govern Life

GETTING STARTED

1. Name a close friend and list some of the values that you share. How do those shared values strengthen your friendship?
 2. In your life, do you feel the Ten Commandments are a burden and added weight on your shoulders, or do you feel they are a help to you? Why?
 3. Are you generally a rule follower or a rule breaker? Explain. How much do you struggle with authority? Why or why not?

4. Which commandment in this chapter was the most interesting to you? Why? What does it reveal to you about God's heart? Why?

DIGGING DEEPER:

Read Psalm 19:7-14

The word “law” can also be interpreted as teachings/truths.

1. What does this passage tell us about God's truths? Which description is the most interesting or insightful for you? Why?
2. What do verses 12-13 tell us about the challenge of sinning against God's law?

Read Matthew 5:17-48

1. Jesus demands that we follow both the spirit of the law and the letter of the law. In other words, our actions and our intentions matter. What is your reaction to these words of Jesus?
2. What is your reaction to the level of obedience Jesus demands?

3. Verses 43-48 talk about loving your enemy as one of the distinguishing marks of the Christian faith. What is so radical about this principle? How is loving your enemy a reflection of what God has done for you?

Read Psalm 51 and Psalm 32

1. What do these passages tell you about the depth of our sinfulness and our need for God's mercy?
2. What verses capture your attention the most? Why?

CONNECT THE DOTS:

1. After reading this chapter, has your view on The Ten Commandments changed? Explain.

2. It is often easier to apply God's law to other people than it is to ourselves. How do these commandments help you look at your own heart? How do they help you love Jesus more?
 3. "The worst sinner I know is me." What is your reaction to this quote? How does it affect your ability to treat others with grace?
 4. The Bible shares three uses for God's perfect law: *As a curb* (our conscience/natural instinct that tells us we are doing wrong; a way of correcting our way of life), *a mirror* (to help us realize our sinfulness and God's holiness), and *a guide* (being shown the best way to live for God). Have you encountered any of these uses of the law in your life? Explain. How have they helped you in your daily life?

5. Between gossip, slander, and hindering the truth, words have the ability to cause so much damage. At the same time, words also have the ability to lift up, encourage, and affirm others in what they do and who they are. Why is it so tempting to fall into the sin of talking negatively about others? Why is it so difficult to speak highly of others and see them as our Savior Jesus does? How can we stop ourselves from speaking negatively and begin to speak more highly of others and truly "*love your neighbor as yourself*"?
 6. Sexuality and physical contact is one of the most extremely powerful human behaviors. It has the power to be beautiful and have meaning if used according to God's design, but it also has the power to tear relationships apart. In your life, how have you seen this at work?
 7. What is the best thing you learned about Jesus in this chapter?

DIGGING DEEPER:

Read John 14:1-6 and Acts 4:12

1. The Bible reveals that faith in Jesus Christ as God's only Son as our Savior from sin is the only way to get to heaven. What do you think about that truth? Why do you think this message is offensive to many people?
2. It has been said that there are only two religions (or categories of religions):
 - Christianity, which teaches that people are saved by God's grace because of the death and resurrection of Jesus which atones for our sin; and
 - All other religions, which teach that people are saved by doing good works that earn them favor in God's eyes.
 - Why is grace such a difficult concept for humans to accept? Why do we prefer our own good works over God's free grace?

Read Matthew 28:16-20

Read Ezekiel 37:1-14

In the Hebrew language, breath, wind, and spirit, are all the same word. Notice all the times those three words are used in this passage.

1. Why do you think God had Ezekiel preach to the bones as a way to bring them back to life? What was God revealing through this vision? What can we learn from this?

2. Read Ephesians 2:1-6 and John 5:24. How are these passages connected to the story in Ezekiel 37? Why do you think the Bible uses “resurrection” language to talk about coming to faith in Jesus Christ as your Savior?
